### APPLE SEEDLINGS

We offer new ground Apple Seedlings, free from hairy root, root knot, aphids, or other diseases.

These Seedlings were dug late and are well matured. This is important: we have no soft, spongy stocks.

A health certificate goes with each shipment.

Boxed free, for cash with order.

Our Apple Seedlings are all grown from French Crab Seed, and are one year old.

We can often combine shipments, giving customers advantage of car-load rates and save time on the road.

Seedlings are carefully packed and we guarantee **SAFE ARRIVAL** at your station.

If in a hurry, wire us and stock will go forward the same day.
